

Guidelines for Poster Presentation

- The permitted poster size should be **36 inches (Width) X 39 inches (Length)**. Poster boards will be provided to mount your posters.
- Printing the poster and putting them up for display will be the responsibility of the presenter/s.
- All posters will be displayed as per the allotted number and date at the designated area in CSIR-IICT campus.
- Mount your posters on the board allotted before 9.00 am on the day of your presentation and ensure to remove it after 6.00 pm same day.
- The poster should be presented in English and title of the poster should appear at the top (24 font size or higher). The author(s) name(s) and affiliation(s) should be mentioned below the title and text should be written with 18 font size. Presenting authors name should be underlined. Figures should be large enough to be clearly visible and of high quality.
- Avoid using a lot of text in the poster. Instead use colors to enhance the comprehension and make your poster more attractive to the readers, by using pictures, diagrams, tables and figures wherever possible. Legend and titles should accompany all figures, tables, diagrams, etc. Lettering on illustrations should be large and legible. The size of the figures should be minimum 5 X 7 inches.
- Please be present near your poster during the allotted time which is important for the evaluation.
- Posters will be evaluated by independent juries and awards will be declared during the closing session.
- Contact the Scientific Team (s.biosd2018@gmail.com) if you are unable to present the poster.
